

## **BSIERP Lead PI teleconference**

**13 May 2008**

BSIERP Lead PI meeting agenda for Tuesday May 13, 1-230 pm Alaska time

1. BEST-BSIERP PI meeting will be held for ~ 3days during the week of October 13 at Girdwood, Alaska

2. Work plans. I have received complete work plans from Coyle, Stabeno, Irons, Kuletz, Byrd, Friday, Trites (Pribilof), Kitaysky, Mueter, Huntington, Aydin (modeling), Deans, Farley and Sigler. I have received work plans but still need data delivery dates from Heintz, Hollowed, and Aydin (functional foraging response). I still need work plans from Stoecker, Moran, Grebmeier, Horne/Parker-Stetter, Jay, Benoit-Bird/Heppell, and Trites (Bogoslof). (Add "update work plan to October NPRB report"?)

3. Updates

Anne Hollowed - Pollock 'A' season sampling

Carin Ashjian, Kathy Kuletz - Healy 2 cruise

Phyllis - Oscar Dyson

Janet - NPCREP cruise

Anne Hollowed - BASIS plan

Andrew Trites - patch dynamics plan (Pribilofs and Bogoslof)

Any others?

4. SAB meeting

- October PI meeting

- cruises: BASIS, summer Healy timing

- BEST and BSIERP hypotheses
